\$69

Terms and conditions of enrolment/bookings

- Vacation care is available for primary school children; however, Kindergarten children must complete their first school term before attending.
- Staff are employed between 7.30am – 6.00pm and children are to be signed in and out during these hours (fees apply to late pickups).
- A \$30 family registration fee is payable for all new families to OSHC/Vacation care – this is a once off fee per family.
- Bookings can be made on the app up to 3pm the day before if there is space available. After 3pm please phone to check on availability.
- Children can only be signed out by an adult nominated on the child's enrolment form, collection of authority or in written form.
- If a person collecting is under the influence or the child is at risk of harm, staff will make alternative arrangement for the child's collection.
- Prescription medication can only be administered by us with written permission from the parent/guardian on our medication form. The medication must be in the original packaging and with expiry date, and dose visible. Non-prescription medicine including herbal/complimentary medicine and travel sickness tablets cannot be administered.
- PG movies and games may be shown during the holiday period, please advise if you don't want your child to participate.
- Some excursion activities require a minimum number of bookings to make it possible for the activity to go ahead. In the unlikely event that minimums are not reached, families will be advised, and alternative arrangements will be put in place. If due to circumstances out of our control an activity cannot go ahead we will provide another activity and inform families as soon as possible.

What to bring and what not to bring

- Children need to bring a hat, lunch, snacks, afternoon tea, and a refillable drink bottle. Please no nuts or eggs. An ice brick should be packed.
- Children should not bring toys, mobile phones or expensive jewellery. All items brought by children are their responsibility.
- Children should not bring money as they will not be able to access shops or canteens on excursion days.

What to wear

- Hat - no hat means children may only be able to play in the shade and miss out on outdoor activities.
- Please apply sunscreen to your child (except during winter) before dropping them off. The centre has sunscreen available during the day.
- Clothing must be practical and sun smart. Singlet tops are not recommended as exposed shoulders can lead to sunburn.
- Please send spare clothes in your child's backpack in case of spills/accidents etc.
- The centre may do messy activities so be prepared for dirty clothes at the end of the day.
- Enclosed shoes and socks only. No thongs, wheelie shoes, crocks and sandals. Children may not be able to participate in activities without suitable shoes and socks.
- Please label everything – including the excursion hat (see information below).

Important notes

- The school gate will be locked at 9.15am sharp on excursion days (unless otherwise outlined in brochure) to allow us time to prepare your children for our day out. Please arrive no later than 9:00am on excursion days to allow time to sign your child in, say goodbye and pass on any important information.
- Each enrolled child is provided with one excursion day hat free of charge. If your child does not bring their hat to an excursion day, another will be provided, and you will be billed \$8.00 We keep ongoing records of children who have received their hat at a previous vacation care session. We do not keep your child's hat at VacCare – it is their responsibility to look after it and bring it when required.
- The cut-off date for changes/cancellations to Spring VacCare bookings is Sunday 16th September 2018. Bookings made after that date are automatically confirmed and full fees apply to every booking in our system from Sunday 16th September regardless of the reason for non-attendance.
